There are several steps drivers under the age of eighteen must take in order to obtain a Massachusetts license.

- ✓ They must complete Drivers' Education
- ✓ be issued a Drivers' Education Certificate
- ✓ Hold a permit for six months with a clean driving record.
- ✓ Finally, they must pass a road test performed by a Massachusetts registry official.

Once all of the above has been completed, we will promptly mail the paperwork to the Registry of Motor Vehicles (RMV). The RMV will then process the paperwork to and issue the Drivers' Education Certificate. You will be eligible to book a road test once the Drivers' Education Certificate has been issued. To check the status of your certificate, visit the RMV's website <https://secure.rmv.state.ma.us/DriverEdLookup/driverlookup.aspx>. Click on our Useful Links tab and select Drivers' Education Certificate status.
